

Patient Information Evenings

Vita Clinics are holding Patient Information Evenings for those who are awaiting surgery, have undergone surgery or who are just simply interested in weight management programmes. Our meetings will give you the opportunity to speak to our Bariatric Nurse Specialist Carol Green and to other patients and share your own personal experiences in a confidential and supportive environment.

Everyone is welcome; you do not have to be an existing Vita Clinics Patient to attend the meetings so if you know anyone who would like to attend just let us know.

We will be holding these informal meetings on the following dates:

Thursday 23rd July 2009
Thursday 24th September 2009
Thursday 29th October 2009
Thursday 26th November 2009

From 7.30 -9.00pm

At Vita Clinics, 38 Highfield Road, Edgbaston, Birmingham, B15 3ED
